Dear Patricia;

I hope that you will overlook the unfortunate lapse in correspondence; 'though you are probably very much aware of the amount of business involved with the expanding of radio facilities; hence , you'll understand my inability to consider your most promising suggestion until now.

Let me thank you very sincerely for your kind invitation to come over to WCSR.

I have discussed your suggestions concerning a WMS program over station WCSR with the Board of Directors of WMS, and its unanimous approval has been the outcome.

There is information, however, that we would very much like you to send us, when convenient, before we can definitely commit ourselves. In short, what type of program would you prefer, and how long would you want it to be? Also, how much of WMS do you want at Smith? I ask this last question for quite obvious reasons.

Please let me know as soon as you can, the whens, how longs, and the how bigs, concerning a WMS show over the facilities of WCSR.

Very truly yours,

Frederick M. Peyser, Jr.
